## "CELL PHONES--THE KEYS TO SOLVING YOUR INVESTIGATIONS"

### Madison Police Department

100 Hughes Rd Madison, AL 35758

February 21-23, 2017 8:00 – 4:00

This course is designed to teach Homicide Investigators, Narcotic Investigators, Criminal Investigators, and analyst how to Identify, obtain and analyze various types of phone records. Cell phone records can break and make any type of criminal investigation. During this three day (24 hours) class real world cases will be discussed at length including several recent homicide cases, one of which was Federal Murder case of an informant. The students will be taken step by step of each case profiled from Call out to arrest of the suspect. In addition to the several Homicide cases there are robbery cases, a Stolen Heavy Equipment case and even white color financial investigations.

#### Course Objectives

- Learn how to create a top caller list
- Learn to pattern and targets calls
- Find changes in calling patterns; Pre and Post incident calling patterns
- Break or verify an alibi with call records, more than just mapping the caller
- Determine the owner of an Anonymous prepay phone such as a tracfone
- Develop witnesses from phone records
- Learn subscriber information from numerous sources
- Learn how to locate your targets phone number once he changes phones
- Learn how to defeat the defense of “ I lost my phone “
- How find the single important call in a list of thousands of calls
- Learn how to map and track your target with his phone
- Locate your suspect after the warrant is signed

The Instructor Sgt Eric Smith is a 20 year veteran of the Charleston Police Department. During his 20 year career Sgt. Smith has received numerous awards and commendations. Prior to being promoted, Sgt Smith worked as the Intelligence officer for over 7 years in the Charleston Police Departments Criminal Investigation Division. During this time Sgt Smith conducted over 1000 mobile forensic exams of cell phones, has performed toll analysis on over 300,000 telephone calls, and assisted in the investigation of 40 homicides.
